removal of the dry-room apparatus of the E. Z. Waist company from the old wooden quarters to the new addition of the mill. The addition is not yet complete, but it is necessary to tear down the wood portion in order to finish the new section.

Word was received to day of the death of Arthur Dulude in Amherst, Mass., a former resident. He leaves a wife and three small children, also his mother, Mrs. Thers, Dulude, three sisters and three brothers: Mrs. Napoleon Bergeron, Mrs. P. J. Kelley, Mrs. Edward Bergeron, Napoleon and Honorable Dulude all of Bennington, Henry Dulude of Griswoldville, Mass., and Thomas of Williamsville, Vt. His remains are expected to be brought here Tuesday for burial.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

SUBLINE PICTURE DRAMA

"Ramona" Attracts Large Audiences

At Harmanus Bleeker Hall

The Times-Union, Tuesday Sept. 6, of Albany where "Ramona" is playing this entire week has the following to say:

"Ramona" was the attraction at Harmanus Bleeker hall yesterday afternoon and last evening—the "Ramona" of Helen Hunt Jackson, told in one of the most beautiful, picturesque of a story the screen can boast.

Helen Hunt Jackson's celebrated story has been liberally read by Albatians, but no word-artist could ever hope to do the same justice to California scenery that photography does. The film version not only covers the entire story of the book, but goes a long step further in giving such sublime scenic effects. "Ramona" is a story of early tranquil peace and happiness, which was to be so rudely shattered by the invasion of the white settlers of the United States.

The film version is in an elaborate prelude and two acts. Thus we see the original "Ramona," the gay, velvety-eyed coquette, Senorita Ramona, who on her way to the wedding of her sister meets with a slight accident from which she is rescued by Angus Phall, a wealthy young shipowner, who falls in love with her. After an ardent courtship they become engaged to be married, and Angus sails away to gain more wealth and bring his treasures back as bridal gifts for Ramona. But when he returns he finds that she has just become the wife of a young Mexican lieutenant, Francis Ortega, and in utter unhappiness he wanders away and becomes an outcast of society. However, he always carries with him an old bag in which is the box containing the jewels he had intended for his bride.

Phall finally falls exhausted near the hut of a widowed Indian woman, who nourishes him back to health and strength and he takes her as his wife. A baby girl is born and, determined that his child shall not be reared under such conditions he takes the little one away with him, and after having her christened "Ramona," takes her to the home of his former sweetheart, who, during 15 years of married life, has remained childless, and her husband also has become disolute. She takes the child and promises to adopt her.

After the death of her broken-hearted foster-mother, little Ramona becomes the idol of the household of Senora Ortega's sister. She grows to bewitching young womanhood and is beloved by her foster-brother, Felipe Moreno. But Alessandro Azis, a full-blooded Indian captain of the sheep-shearers, comes and they fall in love and are married against the wishes of Ramona's foster-mother. The girl follows her Indian husband to his wilderness home, but the white man, in quest of new homes, drives them about from place to place, until Alessandro loses his mind from grief, misfortune following them at every turn. Alessandro is killed and Ramona is left destitute with a baby girl in her arms. Meanwhile, Felipe has been in search of her, and finds her amid her greatest sorrow, and gives her that happiness which she justly deserves.

An added feature is the musical program rendered by the Ladies Symphony orchestra of Boston.

"Ramona" will be given at the opera house Tuesday and Wednesday Sept. 12 and 13 twice daily at 2:15 and 8:15.
